

OCCUPATIONAL HEALTH MEDICAL QUESTIONNAIRE (NEW STARTER CLINICAL FORM)

CONFIDENTIAL

Due to the nature of the role you have applied for we need to carry out a complete a new starter health questionnaire – even if you have been employed in UK health services before. The health of each candidate is considered individually and a decision regarding fitness for work in the prospective job role will be based on the functional effects of any underlying health condition/disability/impairment as well as health service requirements for fitness and immune status.

Before health clearance is given for employment you may be contacted by Healthier Business UK Ltd and may need to be seen by an occupational health advisor or physician with gained consent. We may recommend adjustments or assistance following an assessment to enable you to carry out your proposed duties safely and effectively. Recommendations to your employer will be directed to essential information regarding your health and the hazards and risks of your employment and with due reference to other relevant statutory requirements and professional practice.

Our aim is to promote and maintain the health of all individuals in the workplace: staff, service users and third parties.
